Aptean to Expand in Austria Through Acquisition of Ramsauer & Stürmer

Agreement will Strengthen Aptean's Footprint in Rapidly Growing DACH Market

ALPHARETTA, GA, July 1, 2021 – Today, [Aptean](#), a global provider of mission-critical enterprise software solutions, announced that it has entered into a definitive agreement to acquire Ramsauer & Stürmer, a leading provider of Enterprise Resource Planning (ERP) software in Austria.

Founded in 1984 and headquartered in Salzburg, Austria, Ramsauer & Stürmer offers clients a full spectrum of ERP functionality with its rs2 business software. With tailored solutions catering to a variety of industries, including construction, cable car systems, food and beverage, service providers, non-profits and production, Ramsauer & Stürmer is a trusted partner to over 400 clients around the world.

This transaction will provide Aptean with an expanded geographic presence in the Germany, Austria and Switzerland (DACH) region, where demand for digital business solutions increased during the COVID-19 pandemic. Aptean also looks forward to welcoming Ramsauer & Stürmer's 150 talented employees. As part of Aptean, Ramsauer & Stürmer will have the opportunity to continue their focus in their local region while also benefitting from the company's global scale and resources, including its deep technology expertise. Ramsauer & Stürmer will be better positioned to serve clients as a truly long-term provider throughout the full customer lifecycle.

"Ramsauer & Stürmer is a trusted ERP solutions and implementation partner for its global network of customers, and we are confident we will see continued success together in the DACH region," said TVN Reddy, CEO of Aptean. "Their talented staff have over 35 years of expertise delighting customers across industries with a compelling suite of software solutions. We are eager to work with the Ramsauer & Stürmer team to help continue to advance their technology and drive this exciting phase of growth for the business," added Volker Schinkel, General Manager of Aptean DACH.

"Aptean stands out as a leader in its differentiated focus on developing industry-specific software, and we look forward to joining forces," said Ramsauer & Stürmer's Managing Director Markus Neumayr. "With Aptean's global scale and significant capabilities, we will be able to accelerate investment in our business and better support our customers at a time when demand for digital workflows and optimized processes has never been stronger. We are excited to work closely with the Aptean team to continue to deliver the absolute reliability, broad expertise, premium quality and innovative thinking our customers trust us to provide."
